

## TRUCLEAN JMG515 – OIL SPLITTING SYNTHETIC SPRAY CLEANER

- Low Foam
- Low Temperature Technology
- Full Oil Splitting Formula
- Concentrated Spray Cleaner
- Biocide FREE
- Multiple Metallurgy Safe

### Business Advantages

- Runs at 2-3% vs 5%
- Run at 100 – 120F
- Easier to separate
- Never need biocide
- Reduce water consumption
- Never needs de-foamer
- Increase system performance
- Built in Corrosion Protection
- Designed for extended use

### Engineering Innovations

- Low concentrations required
- Splits quench oil
- Neat machining oils
- Forming & Heading oils
- No sticky residue
- Free Rinsing – No water spots
- Complete oil rejection
- No rotten smell
- Low mist formula

### Health & Environmental Commitment

- Fully waste treatable
- No rancid odours
- Skin friendly
- NPE Free
- Chlorine Free
- EU and State of California Approved
